Jayne--

Thanks for taking the first stab at this. My comments are attached...mostly just reorganized a bit and deleted the para about interim decisions...that may be a bit too in the weeds for this audience.

Hi All,

Christine suggested (and Joelle agreed) we develop a letter for the Oregon tribes to inform them of our final OR CZARA decision.

FYI, I have attached our tribal consultation invitation letter sent to the Oregon tribes during December 2013. We received no requests for consultation.

Using the invitation letter, as well as the draft final letter to the State, I developed the attached template. I suspect the template is too long and would welcome your edits.

Cheers,

Jayne
